Kaleidoscope

Just as a wave of geometric shapes and colourful hues govern the patterns of Kaleidoscope, one's journey through life is a unique distinct path designed for a colorful future. Keeping this in mind, Kaleidoscope 2023-24, an Inter School Competition, for Students of Classes Nursery - V, was organized by Delhi Public School, Gautam Buddh Nagar on August 24 and 25, 2023. We hosted 23 Schools with 570 participants in this Mega Event.

The event was graced by the esteemed presence of Ms. Nindiya Saket, Principal, Manav Rachna International School, Noida, Mr. Sushant Sinha, Journalist, Times Now, as the Chief Guests, Ms. Madhu Saxena, Former Senior Wing Coordinator, DPS GBN, as Guest of Honour, notable Judges, Ms. Nirupama Sharma, Music Teacher, Crescent Public School, Ms. Kanika Mathur, DPS GBN Parent Representative, Ms. Rashmi Dalmia, Fine Arts Teacher, LPS Delhi, Ms. Monika Rawat, Dance Teacher, Adharsheela Global School, Mr. Tufail Khan, DPS GBN Parent Representative, Ms. Nidhi Sehgal, Educator, Sumermal Jain Public School, Ms. Parul Choudhary, Sales Director, HCL Technologies, Ms. Priyanka Soni, Entrepreneur, Esperto Consultants Pvt. Ltd., Ms. Shilpi Mahajan, Architect, Coforge, Ms. Sumeet Kaur, Director Kidzee and the School's Principal, Ms. Supriti Chauhan.

The event commenced with the ceremonious & Lighting of the Lamp by the Chief Guests and the Principal. As colourful panoramic events unfolded, the Students participated in various competitions, proudly showcasing a blend of rich Indian culture, cutting edge computing and fulfillment of Sustainable Development Goals. The complex buzzing with fusion of talent, imagination and creativity brought out the best in each student. The winners were bestowed with accolades for their outstanding performance, being felicitated at the Closing Ceremony held on the same day.

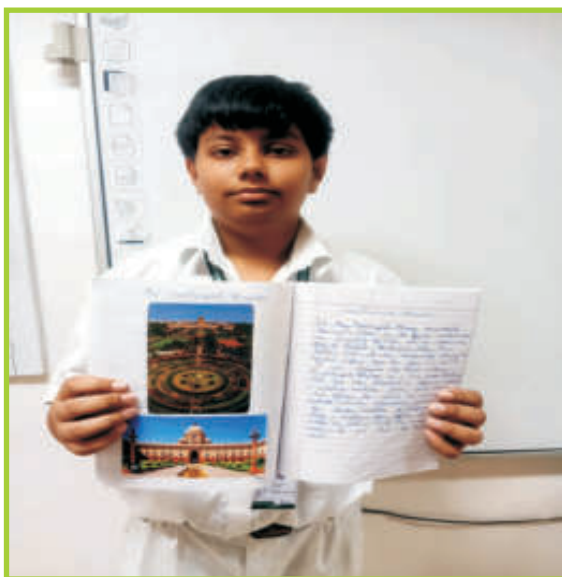

The competition was a resounding success leaving a lasting impact on the students and inspiring them to strive for excellence in their future endeavours.

Social Science Week – Heritage Hunters'

"A nations culture and heritage resides in the hearts and the soul of its people"
– Mahatma Gandhi

Indian Heritage beautifully reflects the shadows of our past. It is a treasure trove for future generations. A special week 'Social Science – Heritage Hunters' was organized for the Students of Grades 3-5 from August 14, 2023 to August 18, 2023. Children participated enthusiastically in various activities and gained insights into the importance of preserving cultural heritage. Grades 3 and 4 were shown presentations and videos on cultural heritage and were encouraged to express their understanding through creative means. Students of Grade 5 did research work and presented their ideas confidently. The Students participated in various activities and gained valuable insights about the importance of preserving our cultural heritage.

Independence Day Assembly

"Freedom in the mind, Faith in the words and Pride in our Souls"

The Students of Grade 4 celebrated Independence Day with great zeal, joy and gusto by presenting a special assembly. The Assembly started with the National song and an inspiring patriotic song followed by a remarkable performance of the children dressed as characters of various freedom fighters. To add sparkle to the entire show, a dance 'Desh mera rangeela' was also performed. The Assembly beautifully portrayed the message that our glorious nation is standing on the pillars of independence, growth, love and happiness.

Skiping Competition

Sports keeps us fit and helps to develop discipline, dedication and commitment, which are essential values for success in life. DPS, GBN conducted Inter House Quarter Final, Semi Final and Final Matches of Skiping competition for Grades 3-5 on the theme, 'Go for Glory in July. These Inter House Matches aimed to inculcate the importance of Sustainable Development Goal 5: Gender Equality in our Students. These events helped our Students to understand the value of teamwork and encouraged them to work hard and never give up.

The results are as follows:

Grade III

Name Position House

3A Vachi 1st Satluj

3G Ekroop Singh 2nd Ganges

3B Hans Satsangi 3RD Ravi

Grade IV

Name Position House

4C Panav Gupta 1st Satluj

4D Somansh Mathur 2nd Ganges

4A Avaneesh Dhurwey 3RD Jhelum

Grade V

Name Position House

5F Anishka Awasthi 1st Ganges

5D Samarveer Singh 2nd Ravi

Kanak Chauhan 3RD Satluj

Investiture Ceremony

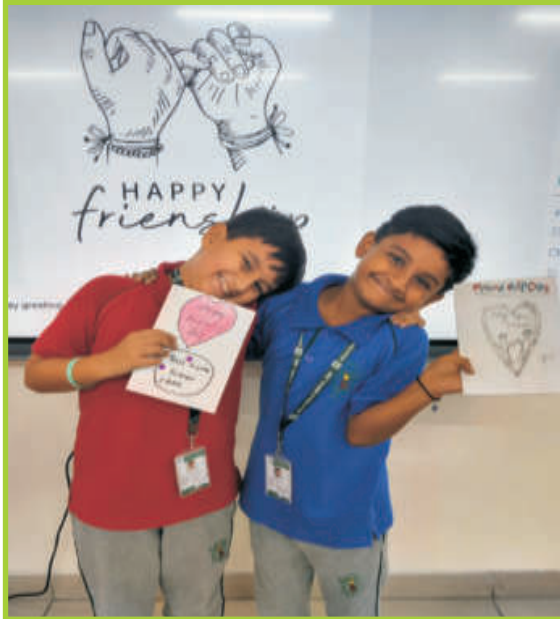

In order to reach the pinnacle of success, DPS, GBN, aims to inculcate its students with a sense of responsibility and commitment. The Investiture Ceremony 2023-24 was conducted on August 4, 2023 wherein the newly elected student council members pledged to work earnestly and uphold the honor and glory of the institution while receiving the prestigious Flag, badge and sash from Principal, Ms. Supriti Chauhan. It was a proud moment for everyone.

Friendship Day

'A friend is one soul abiding in two bodies'. – Aristotle

A friend in need is a friend in deed, keeping the same motive in mind the students of DPS, GBN celebrated Friendship Day with full zest, joy and happiness. They not only promised to stay with each other in one good phases but also in all the bad phases of life. They designed Friendship bands and tied them on their friend's wrist promising to stay together forever. They also made creative and vibrant cards for each other. They understood the value of friendship and promised to be loyal, honest and compassionate friends for life.

Rakhi to a Soldier

"Either I will come back after hoisting the tricolor or I will come back in it, but I will come back for sure." - Captain Vikram Batra PVC

On the auspicious occasion of Raksha Bandhan, DPS, GBN organized an Intra Class Rakhi Making activity for the Students of Grades 3-5. Students enjoyed making beautiful, eco-friendly rakhis' and thank you cards for the brave soldiers, who fearlessly protect our borders. The Students enjoyed the activity and took part in it with great zeal, enthusiasm and zest.

All India Arithmetic Genius Contest 2023

Mathematics provides an effective way of building mental discipline and encourages logical reasoning. To give our young scholars an edge over others, the All India Arithmetic Genius Contest 2023 (Round1) was conducted for the Students of Grades 3-5 on August 16, 2023 by SIP Academy to test the basic arithmetic skills of the Students. The young learners were happy to see their capacities being honed and their capabilities being enhanced through these competitive examinations.

Subject Integrated English

Unity and Pride: Fostering a Sense of Community through Celebrations.

In honour of Independence Day, the students of Grades 3-5 were engaged in activities that highlighted the significance of this historic day. They wrote inspiring slogans, capturing the spirit of patriotism and the importance of freedom. The Students of Grades 4 and 5 embarked on a heartfelt mission to express their gratitude to the soldiers for their invaluable service to the nation. They dedicated their time and effort to writing touching thank-you letters and pouring their appreciation onto paper. Additionally, the students delved into the world of storytelling, creating captivating narratives that celebrated the themes of friendship and independence. They weaved imaginative tales, incorporating elements of unity, courage, and the pursuit of dreams.

EVS

“It is rightly said, 'The Earth does not belong to us, we belong to the Earth.'”

To develop fine motor skills among the Students and to express their ideas efficiently and effectively, the Students of Grades 3 and 4 enthusiastically participated in the T-shirt painting activity. The Students used vegetables like potato, capsicum and lady finger to create impressions. This helped the children to work in coordination. Our Country, India, is well known for its cloth, especially cotton. Using a Stem kit, the children were exposed to a wide range of fascinating fabrics. This gave a different outlook to the Students and henceforth they are now able to identify the fabrics better. Grade 5 on the other hand enhanced their knowledge about Magnetic Force. All these activities were thrilling for the students.

MATHS

***"Mathematics is the most beautiful and most powerful creation of the human spirit."
— Stefan Banach***

What fun it would be if numbers had wings like birds! This time in the Math lab activity, the Scholars of Grade 5 provided wings to fractional numbers and performed the fascinating Fraction Bird activity. The young learners prepared cut-outs of fractions with colored sheets and designed a delightful Fraction Bird using their imagination and creativity. The concept of fractions became a joy to learn and the excitement to do the activity was visible on their faces. The joyous experience made the learning of fractions impactful and fun.

COMPUTERS

"The power of computer is starting to spread." - Bill Budge

The students of Grades 3-5 enjoyed different activities conducted during their lab sessions. Computer lab sessions offer a space for students to explore, create, connect and build digital literacy. Grade 3 students explored the Paint 3D application and came out with beautiful sceneries. Grade 4 students were happy to work in Word Processing Software. Working in tables helped them to arrange their data in an efficient way. Grade 5 students learnt different animation and transition in Power Point.

III-LANGUAGE

"A different language is a different vision of life."- Federico Fellini

Following the famous quote by Federico Fellini, we at DPS, GBN try to give a broader vision to our students. Learning a new language is always thrilling for the children. The Students learning Spanish language enjoyed an activity wherein they portrayed different professions that they would like to pursue when they grow up. German students were excited to create Kleidung puppets and enjoyed designing different clothes worn by the people of Germany. Japanese students also enjoyed learning their famous alphabet script Hiragana. All the activities increased their interest and made learning fun.

Hindi

अलौकिक आनन्द अनोखी छटा- ऋतुओं का राजा वसंत

भारत में वसंत ऋतु को सबसे सुहावना मौसम माना जाता है। प्रकृति में सब कुछ सक्रिय होता है और हम पृथ्वी पर नए जीवन को महसूस करते हैं। इस मौसम की सुंदरता और चारों ओर की खुशियाँ, मस्तिष्क को कलात्मक बनाती है और आत्मविश्वास के साथ नए कार्य शुरू करने के लिए शरीर को ऊर्जा देती हैं। वसंत ऋतु के आगमन पर आसमान में पक्षी किलकारियाँ मारते हैं और सरसों के पीले-पीले फूल खिल-खिला कर ऐसे खुशी व्यक्त करते हैं जैसे सिर उठाकर ऋतुराज का स्वागत कर रहे हों।

सभी ऋतुओं की अपनी-अपनी शोभा होती है पर वसंत ऋतु के आगमन पर सभी पेड़-पौधे व पशु-पक्षी ऐसे चहकने लगते हैं जैसे भगवान को इस अच्छे मौसम को देने के लिए धन्यवाद कह रहे हों। वसंत ऋतु सभी ऋतुओं में श्रेष्ठ है, जो भारत माता का श्रृंगार करती है और सब में एक नया जोश भरकर चली जाती हैं। अतः डी.पी.एस. जी.बी.एन. के कक्षा चार के छात्रों के हृदय में इस मौसम के प्रति उमंग और जोश को बढ़ाने हेतु वसंत ऋतु के सुहावने दृश्य को सचित्र दर्शाने की एक गतिविधि का आयोजन किया गया जिसमें विद्यार्थियों ने अति रचनात्मक ढंग से अपनी कल्पनाओं को एक वास्तविक चित्र में उतार वसंत ऋतु को युवाओं की प्रकृति के रूप में प्रदर्शित किया।

LIBRARY

Students at DPS, GBN have always been enthusiastic for reading new books. Our school Library is one such place where they find these treasures.

SPORTS

“Sports reveal as well as build your character.”

Sports and yoga hold significant importance for physical and mental well-being. Sports promote physical fitness, teamwork, discipline, and collaboration. Yoga enhances flexibility, reduces stress, and improves mindfulness and overall mental health. Engaging in both activities can lead to a balanced and healthy lifestyle. The students of DPS, GBN participated enthusiastically in all the sports events.

WOMEN SAFETY WORKSHOP REPORT

A workshop was organized on the topic MISSION SHAKTI for the girls of 3-5. In this workshop students learned about self-defence. DCP Ms. Preeti Yadav explained about various helpline numbers and told them in detail about it. She told the students about women safety, women harassment and cyber crime and also asked general questions from them related to women safety. Mr. Rakesh Kumar, Traffic sub inspector, told the students about the traffic rules and Mr. Vishwas Garg, fire department officer, told the students about the fire safety and its techniques.

Students enjoyed the session and were happy to learn about all these safety measures.

It was a fruitful session and very informative.
