Message

Dear Students, Parents and Staff
Greetings!

It is my pleasure to welcome you all to our School Newsletter for the month of April 2023. As we move further into the New Academic Year, I am proud to say that our School community continues to thrive and grow.

I want to take this opportunity to commend our Students for their hard work and dedication towards their studies. Despite the challenges, our Students have remained resilient and committed to their education, and for that, they deserve our utmost respect and admiration.

I also want to extend my gratitude to our Teachers and Staff who have worked tirelessly to provide our Students with a safe and nurturing learning environment. Their dedication and commitment to our Students' success are truly commendable.

As we move into the beginning of the academic year, I encourage all of our Students to remain focused and dedicated to their studies. Let us continue to work together to create a community that fosters learning, growth, and mutual respect.

Thank you for your continued support, and I look forward to seeing all the great things our Students, Staff and School community will achieve in the coming months.

Sincerely

Supriti Chauhan

**Principal
DPS, GBN**

Achievers

Sandarsh Yadav of Grade 6 (B) qualified in Science Promotion Orient Test (SPOT), conducted by Vikram Sarabhai Science Foundation. He was amongst the final 100 selected students under the basic category across the country.

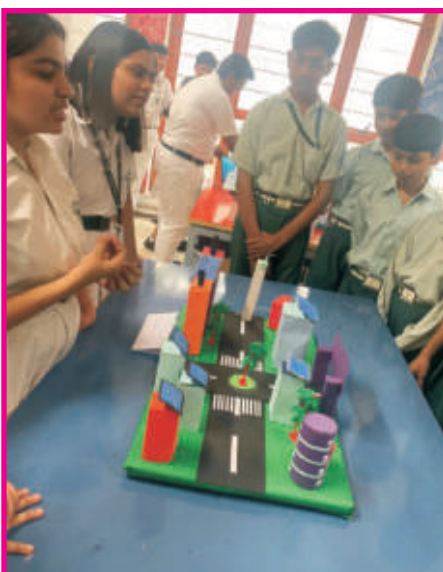

Navya Jain, participated in All India Open Mathematics Scholarship Examination and was honored with the Scholarship.

ATL COMMUNITY DAY

"Tinkering is the way of understanding difficult problem, wrapping our heads around them and qualifying the unknowns" -Gever Tulley

Keeping the above ethos in mind, we at DPS GBN, strive to bring creativity in Learning. DPS, GBN hosted ATL Community Day on the occasion of Dr. B.R Ambedkar's Birth Anniversary on **April 12, 2023**. Students of Vidya Kendra attended the event to tinker and innovate on ATL Community Day through virtual and in-person sessions. We celebrated this day to foster an environment of innovation and creativity in the students of Grades 9-12 of our school and the students of Vidya Kendra to imbibe various 21st century skills using resources available in the Atal Tinkering Lab.

The essence of the event was to make learning joyful by inculcating creativity and hands-on experiences.

World Earth Day

We don't have to make great efforts; all that the Mother Earth appeals for is to work for a cleaner, healthier and a more prosperous planet.

The Students of Middle wing celebrated the 'World Earth Day' with much fervor and jubilation on **April 21, 2023**. The day inspires to act towards the protection of the environment and focus on the need for conservation; imbining this spirit, multifarious activities were held to observe the day. A '**Best out of Waste**' activity for Grade 6 was held, where Students prepared distinct useful items using waste materials whereas, students of Grade 7 created a '**Leaf Collage**'. The Students of Grade 8 represented nature, earth and sustainability through incredible mural paintings.

The Students witnessed a spectacular **Special Assembly** presented by Grade 6. The assembly highlighted the importance of environmental conservation and the need to reduce waste through a thought provoking skit. Our young enthusiasts took a pledge to protect the environment and recycle and reuse the things they use. The message of the assembly was beautifully expressed that 'Every day is an Earth Day' and the purpose of celebrating this day is to keep our land green and our skies blue with more trees and less pollution.

WORLD RECORD CLIMATE CLOCK ASSEMBLY AND DISPLAY EVENT

The students of Grades 9-10 of DPS, GBN participated in the World Record Climate Clock Assembly & Display event, organized by Energy Swaraj Foundation at the Indira Gandhi Indoor stadium on **22nd April, 2023** and assembled the Climate clock. Our students not only witnessed this historic event but also became a part of the world record.

The students learnt about the critical environmental issues, which are being faced by our planet and the need to work collaboratively towards a greener and more sustainable future. They assembled the massive Climate Clock hoping for it to serve as a visual reminder of the time we are left with to make significant changes in the way we treat our environment to avert climate crisis.

Scholars On Air

"TV gives everyone an image, but radio gives birth to a million images in a million brains." - Peggy Noonan

In order to give Students an opportunity to gain first-hand experience in mass media, DPS, GBN participated in 'Out of Syllabus-Voice of India-Season 2' organised by HT with 94.3 Radio One as an international partner. Some Students of **Grades 9-12** of our school visited HT Media on **April 12, 2023** where they were accorded with the opportunity of co-hosting a talk show. They learnt a great deal about recording from RJ Kartik. It was a great opportunity for the students to enhance their communication skills and gain real-world experience in broadcasting.

The Front-Foot Cricket Academy

"Enjoy the Game and chase your Dream, Dreams do come True!" -Sachin Tendulkar

We are pleased to announce that a **Cricket Academy 'The Front-Foot Cricket Academy'** will be started at **DPS, GBN** to give our young and talented Students a chance to **pursue** their dream in **sports** along with their Academics. The Academy will be run and supervised under the training of **ICC & BCCI Level 1 Certified Trainers**.

Building Connections

It was a **proud moment** for **DPS, GBN** when our **Principal, Ms. Supriti Chauhan**, and **Coordinator, Ms. Monika Sharma**, were **cordially invited** to attend the **Vitenam Awareness Seminar 2023** on April 25 with a special invitation. The event was hosted by **H.E. Mr. Nyugen Thanh Hai**, the Ambassador of the Vietnam Embassy, New Delhi. A framed certificate of honour was awarded to both of our representatives reflecting the connectivity and bond towards such future experiential programmes.

Safe & Unsafe Touch!

A **workshop** for the **Students** of **Grade 6** was organized in the **School** on **April 26, 2023** by the **Counselor Ms. Shweta Sarin**. The workshop aimed to make our young Students **aware** of **unsafe** and uncomfortable **moments** in life, how to **recognize them**, and how to **deal** with them. An animated **presentation** of a **movie** made the **Students learn** about unsafe touch and in what ways it can reach one. An **interactive session** between Students and the Counselor left the Students with **motivation** and a **healthy mindset**.

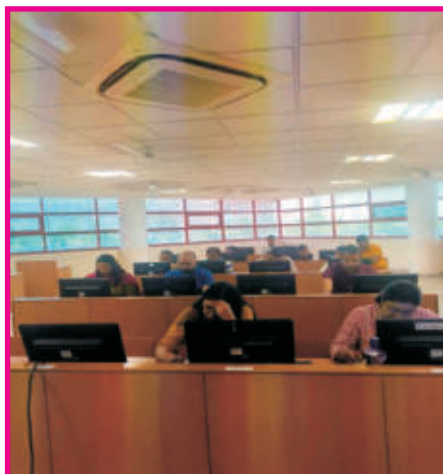

Workshop on Parenting Styles

Connecting Home and School makes us a great community of Learners!

A **workshop on Parenting Styles** for the parents of **Students** studying in **Grade 8** was held at our School on **April 10, 2023**.

The School Counselor addressed the parents creating awareness regarding different styles of parenting; and also how it impacts young minds. The Parents took part in the workshop actively. They were curious about the tips and tricks that would make their parenting remarkable and unquestionable. The workshop came to an end with a lot of positive vibes.

PTM held on April 29

The first PTM was held on **April 29, 2023**. The enthusiastic participation of parents was very gratifying. The Teachers answered the Parents' questions patiently and satisfactorily. It was a great opportunity for teachers and parents to share ideas and strategies that honor their shared responsibility in educating the children.
