The competition featured a wide range of athletic events, fostering a spirit of unity and camaraderie among students. The track and field events included sprints, relays, Lawn Tennis, and Swimming. Participants displayed exceptional athleticism.

The event concluded with a grand closing ceremony, during which the overall winners were announced. The '**Best House**' trophy was bagged by '**Satluj House**'. Individual athletes and teams were also recognized and awarded for their outstanding performances.

School Trip- Jodhpur –Jaisalmer

DPS, GBN's four day educational tour to Jodhpur and Jaisalmer from October 20-24, 2023, was an excursion full of joy and enrichment. Our enthusiastic students from Grade 7, accompanied by twelve devoted teachers, delved into a world of mystique, splendour and rich cultural heritage. Highlights included visits to Umaid Bhawan Palace, Mehrangarh Fort, Kuldhara abandoned village, Jaisalmer Fort and a unique experience of night stay in desert resort and adventure activities. The Students actively participated in various activities, collaborated on writing projects, blogs and podcasts and cherished this informative and fun-filled experience. During the trip, the Teachers made a special effort to ensure that all the children felt at home and celebrated the birthdays of a few of them. It was a memorable experience.

Career Guidance Session- CUET Preparations

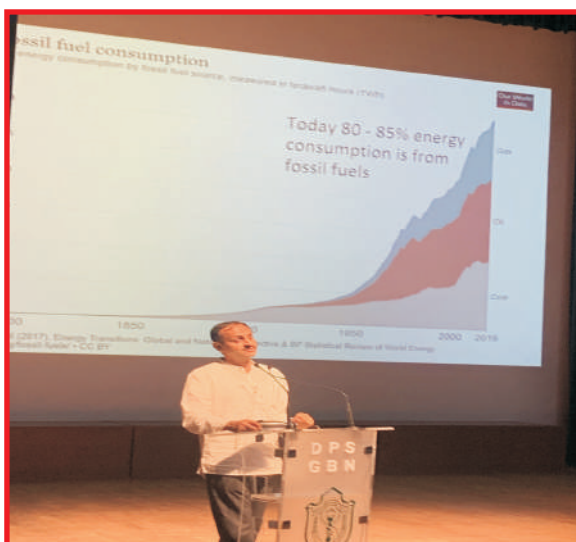

DPS, GBN organized a session on CUET preparations for the Students of Grades 11 and 12 on October 20, 2023, with the primary aim of helping the Students prepare for the highly competitive exams. It provided them a comprehensive understanding of the CUET admission test format and equipped them with effective Test-Taking strategies and Time Management skills. A practice test was also conducted, to give them a realistic experience and help them gain confidence and improve their test-taking abilities.

Solar Energy Workshop

A Solar Energy Workshop, led by the renowned innovator, Professor Chetan Singh Solanki, known as the 'Solar Gandhi of India' was conducted at Delhi Public School, GBN on October 12, 2023. This workshop was a part of his ongoing Energy Swaraj Yatra and aimed at raising awareness about Solar energy, encouraging people to embrace it for a greener environment. The event began with the National Anthem followed by the felicitation of the esteemed guest and the ceremonial lighting of the lamp. The School choir added to the atmosphere with a melodious performance, setting a positive tone for the gathering.

A notable feature of the event was a street play (Nukkad Natak) that emphasized on the issue of Water Wastage and promoted the idea of Water Conservation through a compelling narrative. Through his address, Professor Chetan Singh Solanki inspired the audience with his wisdom, stressing the importance of adopting Solar energy to promote sustainable development. The event garnered enthusiastic participation from students, emphasizing the importance of renewable energy sources in building a sustainable future.

Inter-House Sports Meet- Senior Wing

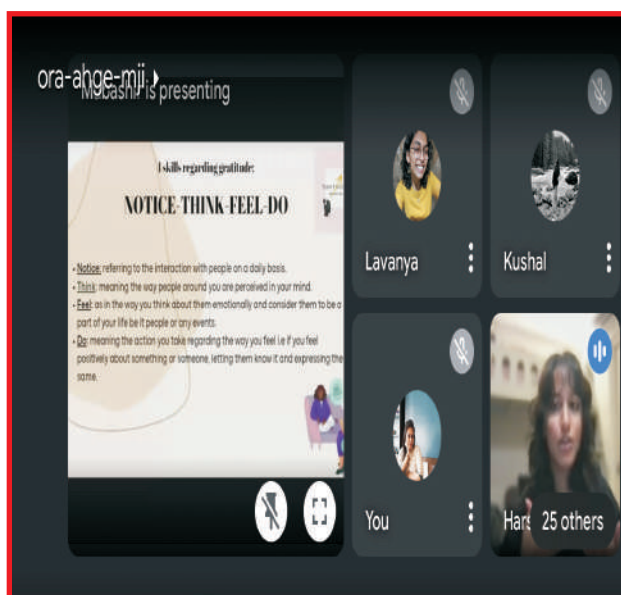

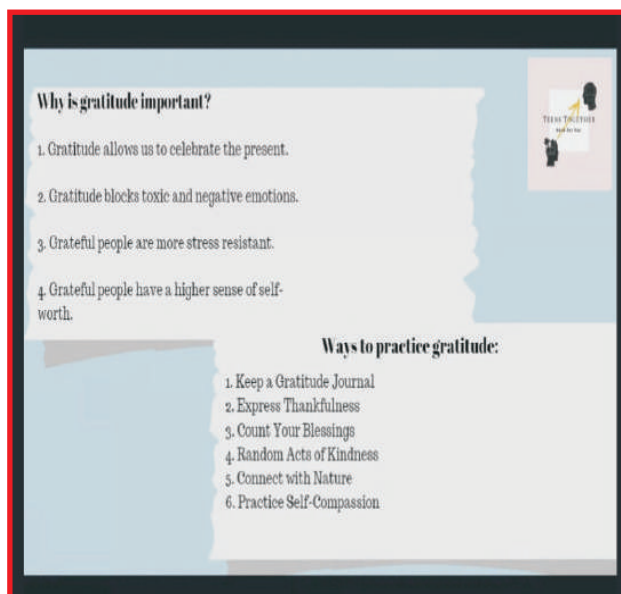

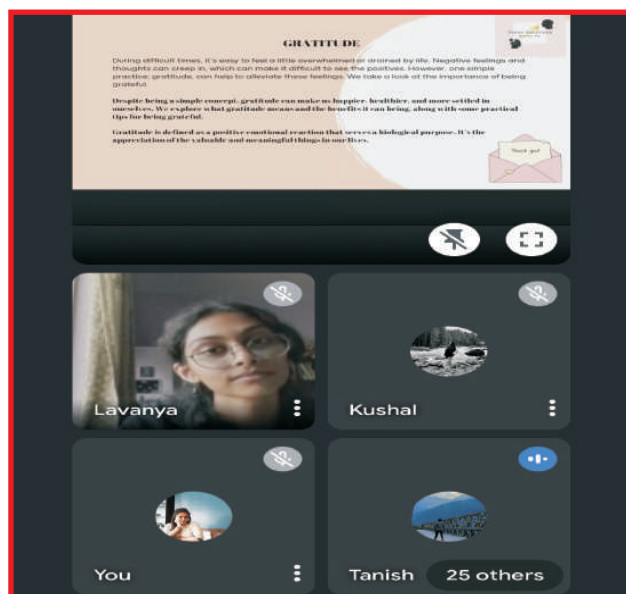

Inter-House Sports Meet for Grades 9-12, was organised from October 9 to promote physical fitness and a spirit of healthy competition among the Students, it also aimed at encouraging the teamwork and camaraderie among Students.

The Students enthusiastically participated in various sports events such as football, basketball, lawn tennis, races, relays etc. and exhibited what true sportsmanship is. The event concluded with the felicitation of the winners by our Principal, Ms Supriti Chauhan. The winners' joy and pride were evident as they received their prizes.

Workshop- Mental Health Awareness

DPS, GBN has always strived to prepare its Students to be confident, successful beings and for this, it not solely focuses on the academics but also on other conducive factors, mental health being one of them. Mental health is very important and to get the point across, TTF, Teens Together Foundation, managed by the Students of DPS, GBN, provided sessions on the importance of mental health to the Students of Grades 9-12 to mark Mental Health Awareness Week. It motivated the Students to speak about the mental health issues and emphasised on the importance of mental well-being. It also discussed various steps to raise awareness about mental health issues amongst Students.

Project YOUNIQUE-Workshop

The Students of Grades 7-8 participated in the empowering workshop, "Project YOUNIQUE #BeTheRealYou" conducted by Sankalp-Ek Atal Nishchay, the dedicated Interact Club of DPS, GBN. This widespread initiative emphasizes the importance of daily affirmations in fostering a culture of body positivity.

As a part of this ongoing project, we aim to promote self-confidence and enhance self-esteem among our Students. To reinforce this message, the washrooms of our School will soon be adorned with stickers featuring uplifting affirmations placed above the mirrors. These positive reminders will encourage everyone to embrace their uniqueness and develop a more positive perception of themselves.

Interact Club

What makes you different, makes you beautiful

On October 31 2023, the Interact Club of Delhi Public School, GBN organized a visit to the Special School, Sector 132, Noida for the Student Interactors. There our Students met with a number of children with Special needs children with special needs. They had the opportunity to tour the Special School's facilities, including classrooms, therapy rooms, and recreational areas. This allowed them to understand the unique challenges and needs of differently-abled students. The visit encouraged the interactors to be more inclusive and appreciative of diversity.
