Fitness Week Extravaganza

"Good health and good sense are two of life's greatest blessings." -Anonymus

To nurture a love for being active while instilling healthy habits at an early age, Pre-nursery organized a Fitness Week from October 9 - 13, 2023. It entailed a variety of activities and initiatives designed to encourage students to lead a healthy lifestyle. During this week, our youngest dipsites were engaged in various physical activities including yoga, animal races, aerobics, and meditation, which promoted their coordination and overall well-being. It was truly an encouraging initiative that not only benefited the students but also laid a strong foundation for their healthy lifestyle.

The Story Weavers

Through the art of storytelling, we can preserve our heritage, educate future generations, and inspire change.” – Philipp Humm

To enhance the language skills while igniting the imagination of our little learners, DPS-GBN organized a Story-telling Competition Themed 'The Story Weavers' for Grade Prep on October 16 and 17, 2023. The main objective of this competition was to provide a platform for our young minds to showcase their creativity and imagination while engaging them in a fun and interactive manner. The little learners used their body language and voice modulation in the right ways, which infused passion, improved expression, and opened new storytelling possibilities. This event not only helped the children to improve their communication skills but also aided in the development of their listening skills. The event served as an important stepping stone in their educational journey and an enriching learning experience.

Flower Show

"If you look the right way, you can see that the whole world is a garden."

– Frances Hodgson Burnett

To foster a love for nature and creativity amongst our budding minds, Grade Nursery of DPS, GBN, organized a 'Flower Show' on October 5, 2023. The allure of flowers was spellbinding for all the experiences that nature holds for us. The children were not only taught about different types of flowers but were also given hands-on experience of caring for the plants. Our blooming buds confidently showcased their talent while walking on the red carpet during the ramp walk. This event not only brought smiles to the faces of our tiny tots but also served as a reminder of the beauty and diversity that exist within our natural world.

Dussehra Celebration

"Celebrate the victory of the forces of Good over Evil. Let's celebrate an auspicious day to begin new things in life." – Anonymus

To celebrate the spirit of victory over evil, a Special Assembly was conducted by Pre-primary wing on October 19, 2023. The Assembly started with the National Anthem and a melodious Bhajan sung by the children. The kindergarteners showcased their talent through their dance performance and conveyed a beautiful message by reciting a few lines about bravery, courage, and the triumph of good over evil. This auspicious day reminded people of the fact that truth always wins and motivated them to follow the path of dharma. To further engage the children, art and craft activities were organized which covered the message to shed evils like jealousy, anger and embrace empathy, patience, and peace. Overall, it was a day filled with joy and enriched their knowledge about the rich Indian culture and values.

Sarang – Raas Garba

"Garba is more than just a dance, it's a celebration of life." - Anonymus

To embrace the vibrant spirit of Navratri, DPS-GBN organized a special Garba celebration for Pre-primary Wing on October 19, 2023. To make the celebration memorable, we extended a special invitation to the mothers, encouraging them to attend alongside their children during the Garba festivities. The entire celebration was transformed into joyful laughter and positivity as mothers joined their children for the ramp walk on the dance floor. Our cute little stars mesmerized each one of us with their performances and gracefully danced to the tunes of traditional and modern garba songs, establishing an exciting blend of cultures. To make this event memorable, fun games like Newspaper Dance, Musical Chair etc. were organized for our elite invitees. By creating an environment where students and their moms could celebrate together, we highlighted the beauty of Indian values and strengthened the bond within our School Community. Through this event, our School took a significant step towards fostering unity, promoting cultural understanding, and celebrating the richness of traditions. It was a day filled with energy, full of happiness and to be remembered for the years to come.
