## Achievers' Gallery

***"Every artist was first an amateur" - Ralph Waldo Emerson***

Success, glory and medals reigned the month of October as our young Dipsites made our School proud in the Inter- School Competition 'Confluence' held at Pragyan School, Greater Noida on Thursday, October 24, 2024. Aazeen Vig of Class II A and Zoobia Rehman of Class II E bagged the Third position in the event 'Trash to Treasure'. Our young performers stole everyone's heart with their unique sense of creativity with sustainability.

Their confidence level was highly commendable as they designed a puppet theatre using old carton and puppets with the help of old socks, paper glasses, carry bags etc. We are exultant of our young achievers for giving such an incredible performance.
