Teachers' Day

"Let us remember: One book, one pen, one child, and one teacher can change the world." – Malala Yousafzai

Teacher's Day is celebrated to honor and appreciate the efforts of Educators in shaping the future of the students. It's a day to recognize their hard work, dedication, and influence on the students. Teachers are often showered with gratitude, gifts, and special events in schools and communities. Students and communities use this day to express their thanks and admiration for the invaluable role teachers play in the society. The students of DPS, GBN also celebrated Teachers' Day with great enthusiasm. The Students made the teachers feel special by showering them with love, flowers and handmade cards and their amazing performances.

Unit Test 2

"Success is the sum of small efforts, repeated day in and day out." -Robert Collier

The Unit Test 2 were conducted to evaluate the teaching-learning goals and progress in various subjects. The test were held from September 4, 2023 - September 18, 2023. The tests were designed to assess students' learning aptitude, comprehension, and application of the course material. The structure included a combination of multiple-choice questions, short-answer questions, and essay-type questions, depending on the subject and grade level. The Students performed well and reflected on the domains that needed more practice and drill.

Non Fire Cooking

Cooking with children is not just about ingredients, recipes, and cooking, it's about developing imagination, empowerment, and creativity. The Students of Grades 4-5 enjoyed Non Fire Cooking activity wherein they learnt the spirit of doing something on their own and in the process mastering their culinary skills. The aim of the activity was to provide a platform for students to showcase their talent and explore new areas of interest in cooking.

They served their food items in inventive ways which was most appealing and the display was a visual treat tickling to the taste buds. The Students had a great time sharing recipes and eating the delicious food items.

Inter House Sports Event

"Winners never quit and quitters never win" - Vince Lombardi

The Primary Wing of DPS, GBN conducted an Inter House Athletic Event, 'Go for Glory' the Sports Meet, 'Go for Glory' in the month of September. This event included Inter House Football Championship, tug of war, fun races and various athletic events.

These competitions aimed to inculcate the importance of Sustainable Development Goal 5: Gender Equality in our Students. These events help them overcome challenges of life and motivate them to achieve their goals. This event helped our Students to realize that sports is vital for fitness and a passion for fitness is essential for a happy and healthy life.

Artistic Hands

"If I could say it in words there would be no reason to paint." — Edward Hoppe

Art encourages self-expression and creativity. It builds confidence as well as a sense of individual identity. Keeping this in mind, an Art competition, 'Artistic Hands' was organized for Students of Grade 3. It was a delight to see the innovative, inventive and ingenious ideas of our young students which were inspired by the famous Indian artist, Sayeed Haider Raza. The Students enjoyed the activity and took part in it with great zeal, enthusiasm and zest.

The results are as follows:

Yamuna House - First

Jhelum House - Second

Ravi House - Third

Magic Show

"Life is full of magic." - Anonymous

Magic is something that is liked and enjoyed by all age groups. The Tagore Auditorium was filled with giggles and waves of chuckles on September 27, 2023 as a Magic Show was organized for the Students of Grades 3 and 4. Students were astounded to see the magician performing different magic tricks. He involved the Students and teachers in his performance. Students were amazed to see various tricks, each one miraculous than the next. The Show not only entertained the little hearts but also enhanced the attention and increased their motivation. The whole show was undoubtedly a visual treat for all and our Students had a great time.

Just a Minute Competition

Public speaking competitions help develop social skills and are interactive. These interactions benefit students as learners, as they can observe how others approach similar tasks, share ideas, and use their words and actions to motivate and inspire. Keeping this thought in mind, Grade 4 organized an Inter House, 'Just a Minute' Competition on September 19, 2023. This competition aimed to enhance the oratory skills of our young Dipsites.

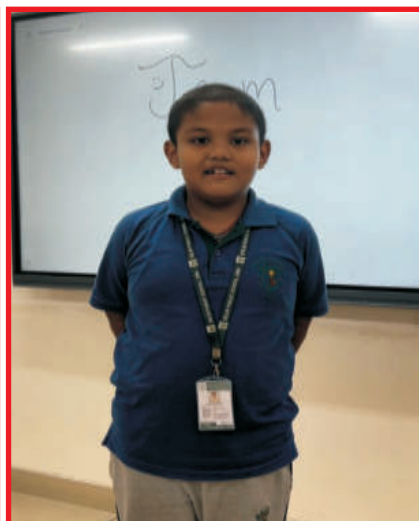

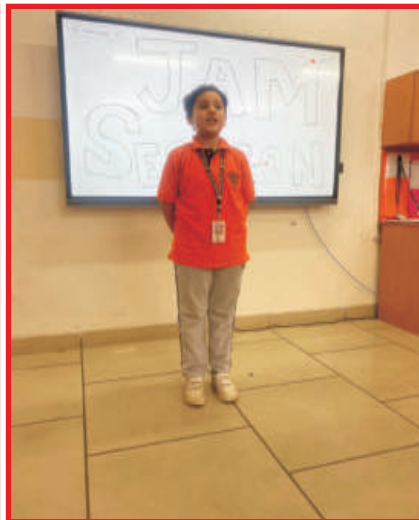

Results are as follows:-

House Position

Ganges First

Yamuna Second

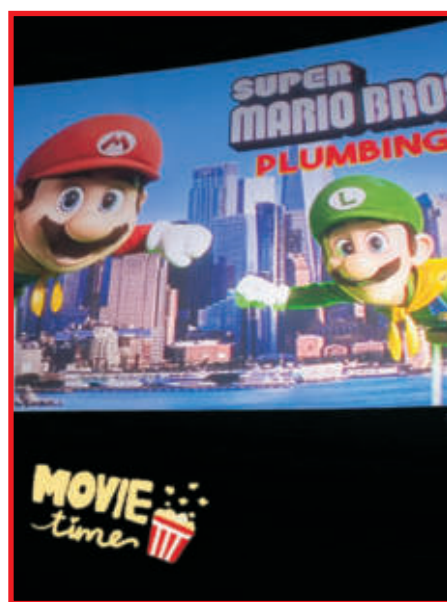

Chenab Third

Movie Excursion

"Cinema is a mirror by which we often see ourselves." - Alejandro Gonzalez

The Students of Grades 3 -5 had a wonderful time on their movie outing. Laughter, excitement and popcorn added a little more to their fun. The theatre experience was fun and enthralling which created memories for a lifetime. The event aimed to provide an enjoyable experience for the participants, offering an opportunity to watch an entertaining movie together. It was a perfect break from studies and a relaxation after finishing off the UT-2 exams. The children enjoyed it with their fellow mates and teachers and took back a great experience. Lights, camera, action and a fascinating experience. these outings help the Students to improve their social skills and strengthens their bond wiht their peers in a new environment. 'What an experience it was!'

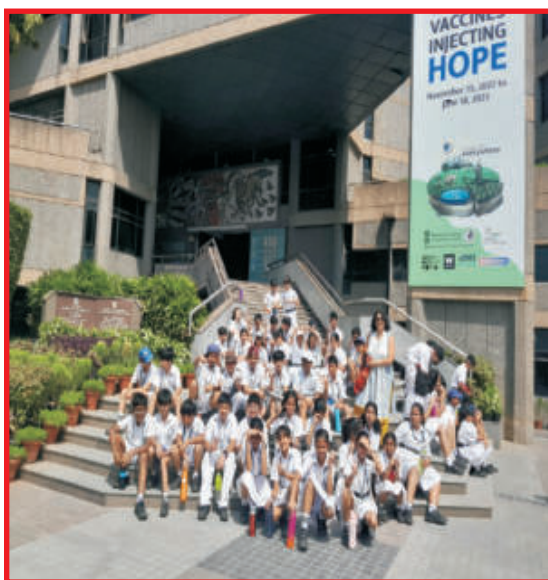

Excursion to the National Science Centre

"Everything is theoretically impossible, until it is done."- Robert A. Heinlein

The Students of Grade 5 enjoyed an educational excursion to the National Science Centre on September 27, 2023.

The purpose of this trip was to provide students with an interactive and engaging experience that would enhance their understanding and appreciation of various scientific concepts. It was an incredibly enriching and memorable experience for all. The hands-on exhibits, interactive displays, and engaging workshops allowed students to explore the wonders of science in a dynamic and captivating manner. This visit not only sparked curiosity and excitement among the students but also strengthened their understanding of scientific concepts. Undoubtedly, the Science Centre remains an invaluable resource for inspiring young minds and fostering a love for science.

Workshop on Enquiry Based Learning

A workshop on Enquiry Based Learning was conducted for the teachers of Grades 3-5 by Ms Monica Bhardwaj.

It was a very interactive and fruitful session as it explained the teachers productively about the topic. Real life examples and experiences were shared by the Resource Guest and teachers which was insightful for all. She explained how Enquiry Based Learning encourages students to research, explore and share their ideas confidently which in turn help in developing many skills of the children like critical thinking, social skills, problem solving and communication skills. It helps students in connecting with the real world. It was an interactive session.

Achievers' Gallery

One man practicing sportsmanship is far better than a hundred teaching it.-

- Anonymous
