- Ayush Giri (9C) won a gold medal in basketball U-14 category, in a basketball tournament held at Ghaziabad.

Learning with Fun-The School Trip

DPS, GBN's 6-day Educational tour to Bangalore, Mysore, and Coorg from September 26 to October 1, 2023, was a journey of enrichment and exploration. Our enthusiastic Students from Grades 8 and 9, accompanied by 8 devoted teachers, delved into a world of knowledge and culture.

Highlights included visits to the Wonderland, Amusement park, Iskcon temple, Abbey Falls, Coffee Plantation, Mysore Palace, Chamundi Hills & Temple, St. Philomena's Church, and Srirangapatna Temple. The Students actively participated in various activities, collaborated on writing projects, and cherished this informative and fun-filled experience. During the trip, the Educators made a special effort to ensure that all the children felt at home and celebrated the birthdays of a few of them. This trip not only broadened their horizons but also nurtured qualities like leadership, team building, trust, and respect. It was a remarkable journey that left a lasting impact on our young learners."

Microbit Training

British Council, Delhi, organized a three- day training program for the Teachers and Students of various schools on 'Computational Thinking through Coding'. The Students of Delhi Public School, Gautam Buddha Nagar also took this enriching learning opportunity and learnt some important skills needed to effectively use Microbit, which is a microcontroller platform used in various STEM (Science, Technology, Engineering, and Mathematics) projects. It encouraged problem-solving skills by engaging Students in real-world challenges and projects. Microbit training is a valuable educational tool that empowers Students with digital skills, problem-solving abilities, and creativity. To maximize its impact, it is essential to address challenges through resource allocation, teacher training, and curriculum integration. This Microbit training program familiarized the Students with the challenges of 21st century.

Teachers' Day Celebration

The Teacher's Day celebration at DPS, GBN was an outstanding day of appreciation and recognition for our dedicated teaching staff. Throughout the day, classrooms were adorned with creative decorations prepared by students. Handmade cards, posters, and artwork expressing gratitude were prominently displayed, adding a personal touch to the celebration. Teachers were pleasantly surprised by the thoughtfulness and effort put into these decorations. One of the most anticipated segments of the day was the teachers' performances. Several teachers from different departments showcased their hidden talents on the stage. In recognition of their exceptional contributions to the school, several Teachers were presented with awards during the ceremony. These awards were a token of our deep appreciation for their hard work and commitment.

Trip to Agra

With the aim to enrich the knowledge of the Students about our rich cultural heritage and historical significance of Agra, Delhi Public School, Gautam Buddh Nagar, organised a one-day trip to Agra for Grades 10-12.

The Students visited the iconic monument, the Taj Mahal and learnt about the history and architecture. They also visited Agra Fort and explored the impressive architecture and listened to the stories of Mughal emperors who once resided there. It was indeed an unforgettable experience for both the Students and teachers as this trip not only presented them with an opportunity to appreciate our cultural heritage but also allowed them to bond with each other.
