Teachers' Day: A Tribute to Our Guiding Light

The School celebrated Teachers' Day on Thursday, September 5, 2024 with vibrant enthusiasm and heartfelt gratitude. The day began with students expressing their appreciation for their teachers through performances, songs, and heartfelt speeches. Brightly handmade cards adorned the School, each crafted with love by the Students. The atmosphere was filled with joy, warmth and camaraderie, reflecting the deep respect and affection the students have for their educators. The event was a wonderful reminder of the impact that dedicated teachers have on shaping young minds and fostering love for learning. It was a day of celebration, appreciation, and recognition for the invaluable contributions of the teachers in the Primary Wing.

The Learning Expedition

"Learning by doing ignites passion, fosters teamwork, and builds the skills for tomorrow's challenges." - Anonymous

Our Primary Wing students participated in the exciting Intra WE activities in the month of September. This event combined learning with healthy competition. The day was filled with energy and enthusiasm as the students showcased their skills and creativity in various practical tasks. The activities were designed to provide hands-on experience and real-world applications, featured several engaging challenges. The spirit was palpable, but the atmosphere remained supportive and encouraging. Students cheered for their peers, offering constructive feedback and celebrating each other's achievements. Students walked away with enhanced skills, a deeper understanding of the work experience, and a sense of accomplishment. The session proved to be a rewarding experience, blended with learning and leaving everyone eager for future challenges.

Celestial Adventures: Unlocking the Mysteries of the Universe

The Students of Primary Wing attended an engaging Astronomy Workshop, 'Interview with the Sun'. Through an interactive Session, the Students interviewed the Sun to uncover fascinating facts about our Star. The workshop aimed to dispel myths, emphasize safety precautions, and provide hands-on experience with solar observation tools. Throughout the session, students were engrossed in various activities aimed at enhancing their understanding of Space Science.

These activities included the Lung Capacity Test, Hand and Eye Coordination, Balance Test, Muscle Endurance Test, and the Astronaut Suit Activity. This dynamic approach invoked curiosity and enthusiasm for astronomy, encouraging students to continue exploring the wonders of our universe.

I did it!

Unit Tests were conducted for the Students of the Primary wing in the month of September, providing an important milestone in our students' academic journey. The assessments, conducted over the past week, were designed to evaluate students' understanding and progress across various subjects. The examinations were administered smoothly and the results offer valuable insights into individual student performance and areas where additional support may be needed. These insights are used to further enhance educational strategies and to support each student's continued growth and success.

Creativity vs Social Media: The Battle Within – Inter-House Debate Competition

The Primary Wing hosted a lively and engaging debate competition for the Students of Grade V on Tuesday, August 27, 2024, marking a successful and inspiring event. The Competition was designed to enhance students' public speaking skills, critical thinking, and ability to construct and present arguments effectively. The Event was not only a platform for students to showcase their debating skills but also an opportunity for them to learn the value of clear communication and confident expression. Judges commended all participants for their exceptional preparation and composure. The successful conclusion of the debate competition highlighted the talent and potential of our students, setting a high standard for future events. It was a memorable event that celebrated the art of debate and the spirit of healthy competition, leaving everyone eagerly anticipating the next opportunity to witness these young orators in action.

Victory Lap: Achievements'

We proudly acknowledge our Primary students' remarkable achievements across a diverse array of competitions, reflecting their hard work and commitment to excellence.

- Amyrah Siddiqui, Miraya Jain, Daksh Bansal, Sara Wakas and Harvi of Grade IV emerged as winners and bagged the First Position in 'Stage for Solutions: Playwriters for Tomorrow' in the Inter School Competition 'Spectrum' organized by Sarvottam International School.

- Ruhi Chhabra of Grade V demonstrated outstanding ability and insight, earning a well-deserved Third Position in 'The Truth Waves' in the Inter School Competition 'Spectrum' organized by Sarvottam International School.

- Filza of Grade IV was recognized for her fine skills in Karate Championship organized by Indesign Martial Art Association and has been awarded an Orange belt!

Your impressive achievements reflect both hard work and talent. We are incredibly proud of your accomplishments and look forward to more success in the future!

Inspiring Expressions: A Showcase of the Student Work

Teachers are the best

All of our teachers are the best,
It doesn't matter if they take many tests.
Some are polite and some are strict,
but whatever happens, we shouldn't spoil
their mood.

Let's come together and celebrate
Teachers' day,
surprise our teachers and just say yay!!!!
Pragya Singh 4E

My Teachers

My teachers are the brightest light,
They make each day so warm and bright.
With caring hearts and endless grace,
They help me learn at my own pace.
Thank you, teachers, for your care,
I'm so lucky that you're always there!
Viraj Kochhar 5A

Teachers' Day

Teachers' day is the apt day to thank all
the wonderful teachers who guide us in
our work. They take care of us whenever
we get hurt. They make us do some fun
activities and sometimes take us to the
canteen to have a party. They take us to
the library for all different kinds of
books. They make us learn music that
touches our heart. Teachers are our
mentors who discover our hidden talents
and help us pursue our dreams. Thank
you, teachers, for believing in us and
helping us to achieve the milestones.
Aadit Bagla 3C

Teachers' Day

Teachers' Day is celebrated to celebrate
the birth anniversary of Dr. Sarvepalli
Radhakrishnan. On this day students thank
teachers for educating them with many
kinds of gifts. Teachers' Day is celebrated
on 5th September every year. This day was
celebrated first time in 1962. Teachers
educate children for their future.
Prarabdh Garg 5D

Teachers

To our teachers, kind and true,
We thank you for all you do.
With patience, wisdom, and a smile,
You guide us through each challenge,
every mile.
In every lesson, big or small,
You help us rise, you help us stand tall.
Happy Teachers' Day, you inspire us all!
Varunika Singh 5B

I love my teacher

I love you my teacher,
When I have difficulties in my studies,
You help me, you teach me, you guide me,
You make everything easy for me.
Advika . K 3E

I thank my teachers

One of the most important days in India is
the Teachers' Day where everyone
remembers their teachers and celebrates
the knowledge they have imparted. It is an
emotional day for all the teachers,
students, young and old Indians because
we all have had teachers who guided us
with their love and dedication. Teachers
are the foundation of India's glory and
greatness. No wonder, Dr Radhakrishnan
said that "Teachers should be the best
minds in the country". I thank my
teachers.
